JUNE 2023

FROM THE PRES-

OK people, we have less than five weeks until Camaro Superfest 2023. Soon, we will be able to do no more. Please visit our sign-up sheet and volunteer to help. There are still shortages in several slots. The link is <https://www.signupgenius.com/go/10c0c4aa4ab2ca1fac61-emcc#/>. Many hands will make for easy work. Nita has worked hard to make sure we have a successful Superfest. Let us all pitch in and see it through. This will be my last opportunity to beg and grabble for your assistance. Just across the wire, sign up by EMCC members is at an especially low percentage. We need a strong presence at Superfest. If you have not yet registered your Camaro, please do so as soon as you can. We need you to support our show. Promise you will not have to hear about it for another year. Get onboard and make this the best CSF ever. I am sure Nita will have more to say in this edition of the HUGGER, please read on!

In other news some of us just returned from a successful Tour to St. Somewhere. Many smiles and miles were spent behind the wheel of our favorite car. It was a suitable temporary replacement for Randy's Tour Missouri. Since we can never replace that journey into the bowels of the Show Me

State, or Randy's route making abilities. Highlighted by two very interesting stops in Kentucky. And, true to form for EMCC, we made some memories not soon forgotten. Some of our crew had a conversation with the proud Mother of (wait for it) George Clooney. Yep, the favorite Son of Augusta Kentucky, born and raised there and occasionally visiting. Not while we were there, but the city folks there sure let us know he was theirs! Simply ask a participant for the lowdown and I'm sure you will want to join us next time. Plans are now in the making for our annual fall excursion to (well, we just do not know yet)? So, if you have a place or two in mind, please let me know asap. These things take some time to plan, months in fact. Then we throw all that out the window and have fun anyway.

In reviewing our events calendar (Don has prepared), I find that there are not too many weekends we have open. Please review the list given out at the meeting, and if you missed that, email Don for a copy. All the usual shows are there, along with some newbies. Most of us are finding our way to Multi-Lakes each Friday for their show, if for nothing else, learning how they cope with the crowds and organize their event prior to our Camaro Superfest.

Continued next page → →

Feel free to call or email myself if you are interested in going. We are planning a certain Friday, that we will call a "club event" and will want to have a strong showing. Watch your email for details on this and many other ventures.

I certainly hope everyone had a solemn Memorial Day and remembered all of those who have given the ultimate sacrifice so that we may enjoy the freedoms we have. One of which, the Camaros we hold so dear. God bless all our Veterans, but especially the deceased for which we owe so much to.

Snook OUT.

EMCC MEETING

The next EMCC membership meeting will happen on **Monday, JUNE 12.** The meeting will take place at **Chris & Sally West's Garage in South Lyon!** The West's address will be emailed to you a few days before the meeting date. If you don't get it, please call DON!! We'll be gathering at 6pm with the meeting starting at 7:30pm. Bring a chair! We will be eating at 6:30pm and it will be pulled pork, macaroni and cheese, coleslaw, baked beans, watermelon, beverages, and dessert. The meal is compliments of the Wests. THANKS!! You **MUST RSVP** to Sally - sallyawest@aol.com no later than **JUNE 9th** please! We hope you can attend. It's good to "see" and talk with everyone! We hope you will be attending! See you soon!

NOTE - The West estate is on a dirt road, but it is a VERY short distance!!!

NOTE 2 - This is an important meeting! It's the last one before CSF and we'll go over the entire event schedule! **PLEASE ATTEND!!**

THE CORNER CAMARO

This months' CORNER CAMARO is Paul & Kathy Denski's 2018 COPO!

Hard to believe it is going to be 6 years since we visited the

COPO build center during Camaro Superfest. They invited us to have an event for our show with only one requirement. We buy a 2018 Hot Wheel Edition COPO Camaro. Sure, no problem I said (not really, as it was Kathy who approved the purchase). Anyway, we were off to the races. After getting the 14th email stating you have not been selected to purchase a COPO but thanking me for my continued support for the project, an early February morning email read, you have. Trembling like a first grader going to his first day of school, Kathy asked what is wrong. I showed her the email and (as I expected) she exclaimed "you are not going to buy that, are you?". And of course, I said no and slumped over returning to my cup of joe. Not wanting to rush into a bad decision I did not fill the necessary forms out (you were required to return an answer) and moped around for a bit. Low and behold, Kathy came to me later that day and said, "you know, we should probably buy that COPO, it will be fun and we can always sell it." There you have it in a nutshell. The COPO Build Center people were excited that we wanted to raise some funds for our charity and gladly gave tours ending with the starting of our very special COPO. Not wanting to leave anything off the car we had a good talk with Ken Lingenfelter and Curt Collins (then the manager of the program) we filled out all the forms and waited for that day in June to pick it up. And yes, the event happened to take place on Kathy's Birthday. We raised several thousand dollars and everyone who toured the facility got to see our COPO. Perhaps someday we will part ways with it, but for now the 2018 COPO sits proudly in her barn ready at any minute for a chance to show off anywhere anytime. No, it will never be raced by us, over our experience level. But it sure is a pretty car.

Thanks Paul & Kathy for sharing your Camaro story! Thanks for being an EMCC member!!

FRIDAY-SUNDAY, JULY 7-8-9, 2023
Multi-Lakes Conservation Club
Commerce Township, MI, USA

Here is the latest event news-

Dear Club, Have you registered for SUPERFEST 2023 yet? After checking numbers, our club is lacking in participation from its members. **I am urging our club to please register.** These delays prevent the organizers from moving forward with necessary decisions and tasks. Please continue to share the event on your social media. If you have any questions or thoughts please reach out to me any time on my cell 810-938-9985 or email at EMCCNita@google.com or EMCCNita@gmail.com

Thank you, Waneita

CSF 2023 is only ONE month away!!

CSF JOBS

Here is the list of CSF jobs and what each entails. NONE of these jobs is hard!! A few minutes of "on the job" training and you will be a pro!! Please help out where and when you can... many hands make little work!! Here is a link to sign up genius to volunteer! EMCC SUPERFEST 2023 VOLUNTEER SIGN-UP website....

<https://www.signupgenius.com/go/10C0C4AA4AB2CA1FAC61-emcc>

Let's look at the jobs and their duties- what each entails-

REGISTRATION- is where car owners come to enter their cars. This is at HQ hotel on Friday, moves to Multi-Lakes for Saturday/Sunday. Paperwork job and answering questions. There will also be people to go to MIS ahead of everyone else, to set-up a registration check-in. We will NOT

do on the spot registrations, but can check people in.

MAIN GATE- is where people come in to view our event. We need to keep track of numbers and spectators are FREE, but we are requesting donations for our charity - whatever they wish to give!

VENDOR SET-UP- This is on Friday afternoon at Multi-Lakes, to assist various vendors in getting the right spots they need. Also make sure the port-a-potties are in place. This would be a club member (or 2) NOT going to MIS.

EVENT HQ- this is big on answering questions, selling event t-shirts

KIDS AREA- keeping track of kids using this special area and making sure no one is mis-behaving

JUDGING- You will be judging the show cars that signed-up for judging, using the new electronic form.

SECURITY- everyone is on security detail at all times! Security is making sure that someone is not doing something stupid and causing problems for others.

MISCELANIOUS- This is kinda another "everyone" job... where we need to keep an eye on trash cans, make sure the speakers are working, etc....

We think that covers everything we can think of concerning jobs. See, nothing so awful hard about any of it. **PLEASE volunteer!!** Without YOU, the EMCC membership, this event is not possible. We can plan all year long, but when it comes right down to it, it is YOU the membership that makes the event happen. THANKS!!!

WE NEED YOU!!! WE WANT YOU!!!

This is our biggest event of the year & we have a great reputation of having the BEST organized event in the USA! We need to continue to work on keeping that reputation and improving on it where ever and whenever possible. PLEASE help us make CSF 2023 another great event and our best yet!

ONE MORE ITEM!!- As an EMCC member, if you haven't registered for CSF yet, please do so ASAP!!!

CAMARO FUNNIES!

PUN(s) OF THE MONTH: 1) Witches' Parking Only! All Others Will Be Toad. 2) The short fortune-teller who escaped from prison was a small medium at large.

THE LAST WORD: A lawyer had a leaky faucet in his office bathroom. He got the number of a nearby plumber and called him in. The plumber arrived and in five minutes had repaired the faucet. Washing his hands, he told the lawyer, "That will be \$150.00." "That's outrageous!" the lawyer exclaimed. "That's more money than I make in an hour." "I know," the plumber said. "That's why I quit being a lawyer."
