APRIL 2018

## FROM THE PRES-

Y'all have to forgive me on this one 'cause I just returned from the most magical place on earth. No, not the Lansing assembly plant, Disney World. Yes, the similarities are astonishing, both started with a mouse, both put a smile on your face every time you go there, both leave you wanting for more. This time Kathy and I drove the back roads both to and from there. And I have to say, even though it took an additional 4 hours each way, I was rested and relaxed for all the trip. No trying to "get" there in a certain time frame and certainly no monotonous I-75 expressway drive. Yes, we did do a touch of that getting to US 23 (the first back road of many), but I made a point of as little of it as possible.

Which brings me to the upcoming Tour d' Missouri and of course the Tour d' Getting There and Back. If you haven't signed up to go it might be a little late by the time you read this, but, at least think about it next year (or this years Tour d' Michigan). I enjoyed seeing most of the scenery both ways simply because I wasn't worried about the other thousand cars and trucks on the road, why not you ask? There were many times I looked forward and checked the rear view mirror and saw NO ONE! The road to ourselves, doing the

speed limit and not having to put up with someone flashing the lights to pass me or me passing them. It was a peaceful easy feeling (Eagles - for those who don't remember) for three full days both ways. This is what we plan for on these Tours for all to enjoy. We are even planning to put some day trips for this summer to get those tires warmed up on our Camaros. If you can't join us at least get in your Camaro and drive somewhere, you don't even have to know where.

OK, back to reality, I understand we had a great meeting last month in my absence. Something I love to hear, nothing better than the club doing well without its President. Just one sign that it's the people not just the leadership. John did a bang-up job running the show and Barry as always chipped in with his Camaro Superfest and other show stuff. New members with very interesting stories and new ideas to boot! Wish I could have been there. Anyway, let's keep this momentum going with Superfest and our Charity this year. I'm confident we'll get our fund fully endowed and get our charity all the help they deserve. So if you have anyone or company that you think might be interested in sponsoring please let me know and I'll call on them if you don't want too.

Continued next page ->

We have new levels of sponsorship that we think will work for almost everyone. Just one more thing all of us have done together to make it happen.

Also, for those who are interested, we've (the club) been invited to participate in the Northwood University's "Otis Wilson Memorial Car Show" this April 21st. It is in Midland, Mi. about a two hour drive. I am planning on going IF (big IF) the weather is good. I plan on taking the back roads there and back. Please let me know if you're interested and I'll plan on a meeting place. The fee is \$15 the day of the show and I'm told there is food and beverage at the show. Dash cards and the usual stuff I'm sure. For me it will be just the end and beginning of a Saturday drive with a stop in the middle. Keep checking the Hugger for any other shows we will try to participate in. Just another reason to get past the Presidents Column and read on. With that I'm done!

***Regards, Snook OUT***

## EMCC APRIL MEETING

Our next regular meeting will be on **MONDAY, APRIL 16, 2018**. The meeting will be at Zukey Lake Tavern! 5011 Girard Dr. Pinckney, MI 48169. To get there... take US-23 to the Pickney exit #54B. At the end of the exit, head west on West Michigan 36. Follow this for about 5.5 miles. Watch for the sign on your left and Girard Rd. Turn at the sign and onto Girard, cross the RR tracks and follow to the right and the Tavern is on your left. **NOTE** - route 36 makes several turns! Just follow it!!

**NOTE**- those going on the Tour deMO will be meeting at 5:30pm. All other members should arrive by 6:00pm if you are eating. Then... we will have the regular meeting at STIGGY'S DOGS! To get to Stiggy's Dogs, follow Girard back to M36 and turn right and back-track a 1/2 mile. Stiggy's Dogs will be on your right (south side) of M36.

This will be a great opportunity to see our CSF charity and to understand what they do and how. This will help you to explain this to our participants and spectators and thus get better donations! The meeting starts approx. 7:30pm. ALL are welcome! We hope to see YOU there!

## EMCC MEETING REPORT

WOW!! What a turnout for a meeting! There were about 40 members/spouses/friends that attended the meeting. COOL! Our President was off on vacation, so VP John handled the majority of the meeting announcements. Barry chipped in on CSF and the Hot Rod Expo. While BDUBS is a bit loud... the food is good and everyone seemed to enjoy themselves! After the official meeting was over, we had a sticker party - putting address labels on CSF flyers to be mailed out. Great work by all... we were finished in minutes! Hope to see you at the NEXT EMCC meeting!! **MONDAY, APRIL 16th!**

# EMCC at HOTROD EXPO

We had a display at the Hot Rod & Racing Expo, held at Suburban Showplace in Novi the weekend of March 24-25. It was different from Autorama, as this was like a "mini-SEMA" event. Several of our CSF and EMCC supporters were also there! Like Autorama, we handed out posters, CSF and EMCC flyers. We also visited every vendor there and got contact info, then sent them CSF sponsorship info! THANKS again DON for paying our vendor fee and displaying your Camaro Z28 in the club display! Thanks too to several members who helped during set-up and teardown and manning the booth! Looking forward to returning next year!

## **27th annual CAMARO SUPERFEST 2018** *June 29-30, July 1, 2018* *Riverside Park, Ypsilanti, MI, USA*

CAMARO SUPERFEST 2018 is OPEN for business!! Registration opened a bit late, the week after Autorama. The new website took a bit longer to get finalized and updated. But we did and we're OPEN!! In fact, we have 100+ registrations already, covering 10+ states and Canada!

Official flyers are in print and have been mailed to those without email addresses. We also emailed all past participants the flyer and opening date of online registration.

Our 2018 charity - STIGGY'S DOGS! [www.stiggysdogs.org](http://www.stiggysdogs.org) They use rescue dogs to help Veterans with any type of disability!! **Rescuing one to rescue another!!** COOL!! Our 2018 goal will be to raise \$15,000! Our theme - helping celebrate the Hot Wheels 50th anniversary by having Hot Wheel Camaros as our theme. We have even received 250 Hot Wheels Camaro Hot Wheels cars from Chevrolet, to use in our charity efforts!

Official sponsorships have been completed and we have the same great sponsors from last year,

with several upping their commitment!

MANY THANKS to these sponsors...

**PREMIER Sponsor-** Lou LaRiche Chevrolet

**GOLD Sponsors-** Lingenfelter Performance Engineering, Livernois Motorsports, CamaroZ28.com

**SILVER Sponsors-** CamaroNews.com, National Parts Depot, Motor City Hi-Performance, Vanguard Motor Sales

We also sent out letters/emails on a new LOW COST sponsorship program. These are \$50, \$100 and \$150 in price. Even an individual can partake in these sponsorships. Let BARRY know if you need information on these new sponsorships.

**AUCTIONS** - every year we do several silent auctions for our charity. Tom is the chairperson of these and is looking for your donations of NEW and UNSED items for the auction. These can be anything, they do not have to be auto related. Bring items to a meeting to give to Tom.

The hotel is already nearly booked and we have had to add rooms recently! They are able to accept reservations. We also have reserved rooms at the Ann Arbor Regent again, as a back-up hotel. There is also a Fairfield Inn being built across from our HQ hotel, but we cannot determine if it will be open in time for our event.

Just think- CSF-2018 is only 3 months away!!
