## FROM THE PRES-

Ever sit staring blankly at a screen and wish you were "I Dream of Jeanne or Bewitched", just not to have to start typing? Simply nod your head or twitch your nose and boom, done. That thought woke me up this morning (early I might add). I've been procrastinating over this column for the last couple days while others wait for it, I had to get it done. Got me thinking (I know, really), why do we put so many things off (and by we, I mean me)? Is it really that hard or complex or whatever the excuse is? Do I not have the knowledge (don't answer that)? What's stopping me? Well, nothing, just got up and started typing. Just like the passenger window project in Kathy's 52 pickup, just started taking it apart. Now it's finish the job or drive with a constant breeze. Or the exhaust on her 67 Rally Sport, took the side pipes off and guess what, I had to finish putting the new exhaust on, or not drive it anymore. So many things that I didn't want to do once they're started became very relaxing projects. Hey, were they easy, no way, not for me anyway. The beauty of retirement is that I can start something and most of the time finish it at a somewhat leisurely pace. Now, that's not to say we all have it that simple. Some of us aren't retired and have

jobs, family and a multitude of other issues constantly pulling at us. Been there done that. But, until you start something, it ain't never gonna get done.

Sometimes it takes someone else to start it for us. Don Jorgensen for starting us out at the Novi Hot Rod Show. Yep, had he not gone out on his own last year we wouldn't have given this year a second thought. Or Randy Martin, for starting the Tour d' Michigan, look at where that has gone. Let's go way back, Barry Hensel for starting this club! (Come to think of it, if he hadn't would I have to write this?) I'm sure it wasn't easy, but they started. Maybe it started slow or wasn't exactly what they wanted (just like this column), but it started, and became what they are today, solely because they started. Yea, you can say there were other contributing factors, but nothing happens until you start.

Which brings me to this, Camaro Superfest! It's been started, it's well on its way, and well, let's all get on board. We can all start to help in whatever way we can. Most of the time it's easy and fun. Jump on the Camaro wagon and find out. Start by letting us (the Superfest Committee or the board) know you're willing to help. Let us know what you'd like to do or can do. And we'll find a way to get you started.

## EMCC MEETING REPORT

The March EMCC general meeting was held at another new location, Steelhouse Tavern in Troy. This was selected and arranged by Dale and he made a good choice. The Tavern was nice and the food and service was good! Even though this location was a bit away for many of us, we had a good turnout of about 26 members! Dale also arranged to have 4 lucky members get free dinners! THANKS Dale!! The meeting started on time and upcoming events were discussed, a CSF report, some general club news and some info on the Tour DeMissouri trip. Watch your emails for updates and at the next EMCC meeting. We hope to see you at the NEXT EMCC meeting! **MONDAY, APRIL 15, 2019**

## EMCC APRIL MEETING

Our next regular meeting will be on **MONDAY, APRIL 15, 2019** and will be at **GRAND TAVERN** located at 35450 Grand River Ave Farmington Hills. This is on the NW corner of Grand River and Drake Rd. With Spring in full bloom... EMCC activities will increase as car shows and cruise nights start to happen! Always lots to talk about, so please attend! Dinner starts at 6pm, meeting starts at 7:30pm. We hope to see YOU there!

THANKS for your support!!

## THANKS EMCC!!

*From your Editor.....* THANKS!!!! Not all of you know, so here is the news.... THANKS to those that have expressed heartfelt concern for my recent health situation. On Wednesday night, March 6th, it seems that I suffered a mild heart attack. A catherization showed a 99% blockage of the main artery! A stent was placed and the artery has been reopened. I have started rehab and am feeling normal! My diet is changing and I'm now on 4 meds to help blood flow, pressure and cholesterol. THANKS again for your concerns and thoughtfulness! *Barry Hensel, editor, HUGGER*

**UPDATES** - flyers will be passed out at the Hot Rod & Racing expo the first weekend of April. EMCC members that attended the March meeting also got flyers to keep to pass out. Flyers were given to several of our local sponsors! Facebook posts have generated many great "likes" and interest. Our "rest" period is just about over... time to get everything ordered - tents, port-a-johns, security, food vendors, etc.... We'll also be contacting our sponsors for their donations.

A work list will be made and published in about a month. We ask EMCC members to sign-up for at least 8 hours of helping, to make your event the best in the USA! Many hands make light work!!

Don't forget those donations to our auctions!! The item MUST be NEW and does not have to be car related.

NOW the BIG news.... maybe you saw it on facebook, but of not take a look at this.....

Last month we showed you a preview of what we had designed for the t-shirt and award artwork. Well... THIS is what the artist at KIDD CO did for us!! **WOW!!!!!!!!!!!!!!!!!!!!!!** This is our official award and t-shirt design!! This is on the back of the shirt, the front will have the CSF wording and EMCC-Lou LaRiche logos, like in years past.

THANKS Kidd Co!!!!!! I think we're gonna sell a BUNCH of shirts this year!!

Make sure YOU get some CSF flyers... tagging Camaros in parking lots is one of the greatest ways to get more members and participants!

**CSF-2019 is only 4 months away!!**

## EMCC OTHER EVENTS

Activities Director Don "DJ" Jorgensen has mentioned an event in Indy.....

EMCC has an invite to attend Indy Speedway June 20 - 22, 2019

Bloomington Gold Corvettes is excited to announce an addition to their 2019 Event. For the first time in 45 year history of this show Bloomington Gold is inviting CAMAROS to join them at the Indy Motor Speedway. Camaro owners will have the same amenities being offered to Corvette owners such as laps on the iconic IMS track and participation in the road rally. I have booked a track side suite that holds up to 35 guests and reserved parking for your Camaro on the track for our EMCC.....

LET'S MAKE THIS A GREAT EVENT TO GET AS MANY CLUB MEMEBERS THERE AS POSSIBLE..... please send me an email back at to your interest in going and I have already reserved rooms and made the reservations. Just let me know you're going! Please contact DON if you are interested in attending!!

## FROM THE Vice-Pres.....

I have no report for this month, as we wait for spring and summer to make an appearance!

**PUN OF THE MONTH:** A successful diet is the triumph of mind over platter.

**THE LAST WORD:** Two women were talking at a high-society party. "My ancestry goes all the way back to Alexander the Great," one said. "How far back has your line been traced?" "I'm not sure," the second woman replied, "All our records were lost in the flood."

**John, SSSEEYA**

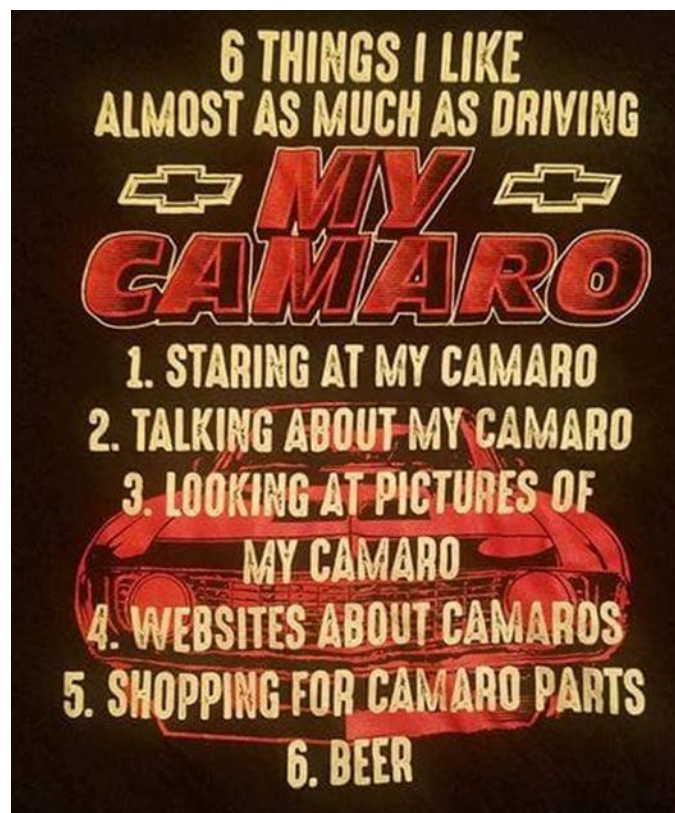

## EMCC HOT ROD EXPO

COOL!! Just like Autorama, EMCC will have a display at Hot Rod & Racing Expo at the Suburban Showplace in Novi. We'll have one Camaro on display and we'll again, give out CSF and EMCC membership flyers at the show. We'll need set-up and show help, so consider

attending and helping. This is much different that Autorama, as this is a trade show of hotrod companies! The dates are Saturday-Sunday, April 6-7, 2019.

For those EMCC members that want to attend - we will be meeting at Mc Donald's on Grand River in Wixom at 8:30am to grab a bite to eat before going down to the show together. Thank you to the members that have signed up to help on Sat or Sun with Club stuff.

## CAMARO FUNNIES!

# EMCC AUTORAMA

Congratulations to EMCC members Brad and Don! They won awards at the recent Detroit Autorama! Tony was also there with his '68 SS, but did not place in his class. Our 3 Camaro display was well received and we passed out just under 500 CSF and club membership flyers! THANKS to all of the EMCC members that helped with set-up, tear-down and passing out flyers!
