JULY 2020

## FROM THE PRES-

It's all in the details they say (and who's they anyway). You know those pesky little things that need attention. As in "pay attention to the details". The reason some of us have a cut-off soft bristle paint brush in our "detailing kit". Just to get the polish residue out of the areas in the CAMARO badges and between the fender and front fascia. It's also the reason some of us (not mentioning any names here) have so many trophies from car shows. Those who have actually removed the chrome molding around the windshield and hand polished it know this. Some of us let others sweat the details and have that done to their cars. I've had my SS Burb done for me several times. Leaving me time for other details. Sometimes there are the details that we forgot, the ones someone else points out to us at the car show! The one we say \$%&# how could I have missed that. The obvious and the not so obvious. Sometimes we get so carried away with some details we completely forget others. Sometimes we depend on others to do the ones we really need. Like Mark taking care of all the "details" on our website. Or Barry making sure all the social media outlets get our message

across to the masses. Yes, I know that these have been pointed out before, but I really don't think most understand the tremendous amounts of time that goes into them. The list goes on and on. Pointing out several things that get done in the club that take massive amounts of work and giving accolades is part of what I think my job is. Every now and then all of us need some recognition for the work done. It doesn't necessarily mean we get a trophy, just a simple acknowledgment of a job well done. Occasionally, that slips our minds or goes unsaid. Just like the day you've completed the massive detailing of your Camaro and don't get that "Best of Show" or worse, no trophy at all. Other times we just need to be conscious of those around us to give them that trophy. Simple acts of kindness, "hello" comes to mind, or "goodbye" or maybe a compliment on their Camaro, even if you might feel it doesn't deserve it. Sometimes it's the way we say it, other times it's the things we don't or should say.

*More next page....*

This whole quarantine thing has so many of our regular routines so totally messed up sometimes we forget what it's like to be nice or polite or even just civil to each other. So, if I've messed up and forgot to appreciate someone for work done for the club or me, I ask forgiveness. It's difficult to keep a positive outlook with so many negative issues surrounding us, but that in itself is the reason we belong to a club of like-minded people. I am very thankful that you the membership have entrusted me to be the President. In that vein I mean to give all of you the "Best of Show" trophy. No, not literally, but from the heart. If in the course of a meeting I forget to mention someone for their contribution to the club, please feel free to bring it to my attention. It won't hurt my feelings, matter for fact, it will make me feel better knowing it got mentioned. Just one of those details I might have overlooked.

## THE CORNER CAMARO

This months' Corner Camaro is EMCC member and VP John Wrobel's 2010 YELLOW Camaro SS/RS! His Rallye Yellow SSSEEYA, as it's called, was purchased new on July 3rd, 2009, so this coming July 3rd it will be 11 years young. It's a 2SS/RS and has been modified with new wheels, tuned headers, high flow cats, and Corsa cat-backs. It's currently running 500HP at the flywheel. Club co-sponsor Livernois Motorsports did the work! If you want your Camaro considered for the "Corner Camaro" it must be in the club photo directory!

## EMCC MEETING REPORT

Our June meeting was held in Grand Blanc at Larry and Joyce Schramm's storage lot. They were GREAT hosts! THANKS!!!! We had a very nice grouping of 20 Camaros and 33 members attending. Most caravanned out together with a few meeting us there. At the meeting we gathered under a tent/canopy and talked about all that is going on, updates on our CSF Virtual event and a few possible up-coming events. We were then treated to a great lunch/dinner!! We also presented the signed car cover to Nick, who was greatly appreciative of and thanked us all for the great gift. After the dinner/lunch and some more kibitzing... some members left on their own. It was a great day to be out and about with our Camaros and great friends! We hope to see you at the NEXT EMCC meeting! **xxxDAY, JULY XX, 2020!!**

## FROM THE Vice-Pres.....

Although I was unable to attend our last meeting, I'm sure it was great to be able to drive our wonderful cars, in caravan style, and then greet, meet, and (of course) EAT.

Based on weather reports it looks as if we'll have many days in the sun to drive and enjoy.

We had an informal "meeting" in Hines Park, thanks to Tony R setting it up. Everyone brought their cars, chairs, and drinks of choice. It was awesome to be able to see everyone in person, not that ZOOM is all that bad, but, in person is best.

So, if not at another outdoor meeting, hopefully you can meet us in Hines Park; Tony said he'd be sending out email notices to future get-togethers possibly every other week...sounds good!

Hope to actually SSSEYYA at one of the upcoming events. Stay healthy, stay safe.

**PUN OF THE MONTH:** Who invented King Arthur's round table? Sir Cumference.

**THE LAST WORD:** A vulture boards an airplane, carrying two dead raccoons. The stewardess looks at him and says, "I'm sorry, sir, only one carrion allowed per passenger."

John SSSEYYa!!

## NEOCC FALL CLASSIC

Every September, many EMCC members make the trek to NE Ohio for the FALL CLASSIC all Camaro event hosted by the NEOCC. This year, the show is still on, but has been reduced to a one day event, Saturday, Sept. 12. 8AM-3PM. From a NEOCC newsletter - We do have some limitations and are not able to offer judging, there will not be a Fri or Sat evening off-site event and no live auction. We still plan to have a DJ, Food Vendors, Chinese Auction and our photographer. The Host Hotel = Hilton Garden Inn - Akron is still accepting reservations and will have Camaro parking available. There will be a flat fee of \$10 and you'll pay as you arrive this year. Please, this is a transition for NEOCC and we hope to return at full capacity in 2021.

Some EMCC members are still thinking of attending and spending one night at the hotel, returning Sunday. Let us know if you would consider attending

# EMCC PHOTOS!

Here are some photos from recent events.....  
Birthday Drive-by that was a request of EMCC in Clinton Twnshp

EMCC members signed this car cover for Nick expressing our love to him on the loss of his wife Victoria. We had probably signed it in January or February but with the suspension of in-person meetings this was the first chance we had to present it to him. Nick asked us to pass along his thanks to the club for this gift. In his words - ***"Thank you from the bottom of my heart, it made my day, it's so very nice and thoughtful. She would have loved it."***

Next 3 pictures are from our June meeting at Larry & Joyce's

## EMCC COVID-19 POLICY

The Eastern Michigan Camaro Club in its activities strongly urges its members and participants in any official club event to abide by Executive Order 2020-59 concerning wearing of masks and social distancing. Simply stated, you must wear a mask in an enclosed public place and outside if you can't maintain a distance of 6 feet from others. While we are not the mask police and certainly don't want to offend anyone, the Board would not want us to be the cause of anyone getting the virus. This policy will apply to all "official club business and activities". Meetings and club shows, right now, are the only official gatherings we have. We do participate in member arranged gatherings outside the club. Anyplace we meet indoors would require the use of face protection so keep that in mind when attending. All public outdoor places would require social distancing or short of that, wearing a mask. Please respect that we have a number of members that are in the "highly susceptible" group for infection and this helps protect all of us.
