CELEBRATING 50 YEARS! of selling great cars and trucks!!

JUNE 2020

FROM THE PRES-

Well, by now you know that we are having Camaro Superfest, maybe not in the form we wanted, but it's going to happen. Many hours laboring over just how it should look and how we should handle everything went into this. Thank goodness for the ZOOM eh! A huge thank you to the board and CSF committee for their work. Mark has put in a gargantuan effort to make the website work and it seems well worth it. So, go online, take a look and submit a photo. T-shirts and dash plaques are going to be offered, artwork is in this issue and looks amazing. The pricing is close to being finalized. Hopefully we can still raise a meaningful amount for our charity. Also we are going to need people to judge. The committee would like to have at least twelve, maybe more as subs if needed. Please consider doing this as a volunteer and relieve some of the committee members that have already put in loads of work toward this. You need to have a basic understanding of our judging system which will be determined shortly. Yes, I know it's going to be tough judging from a video, and it will be subjective, but I think it's worth every bit of the necessary work to make this Camaro Superfest worthy

of the name.

As for things around us, we haven't been able to meet face to face for some time now. Well, we're going to change that this month. Not face to face but mask to mask as we plan to meet at a members facility in Fenton. Joyce and Larry have graciously offered to host our meeting. This means they're doing a lot of the work for us. So the least we can do is RSVP to them and let them know how many are joining them. Please take the time to do so, the email and details are listed elsewhere in the newsletter. I can't wait to see all of you and visit somewhat like we are used to. Activities Director Don has some things in the works that we can do maintaining the social distancing and adhering to the CDC guidelines so keep watching your emails. Don't let this virus thing keep us down, we will prevail. Which brings me to that unobtainium piece I thought I had acquired in our last talk. Well, it remains unobtainable and the quest continues. *More next page....*

Hoping you are having better luck than I am at whatever project you have going. And please don't forget we are a club and we help each other. So if you're having difficulty, call a friend in the club and see if we can help. It keeps us in touch and is a very easy way to find solutions to issues you may have. You'd be surprised on how much knowledge we have imbedded in our club. And it doesn't necessarily have to do with Camaros! Enough from me, read on and learn what we got going!

Snook OUT!

THE CORNER CAMARO

This month's Corner Camaro is EMCC member and Secretary Sharon Harpootlian's 2016 Camaro Coupe. The Camaro has a V6 engine and 6 speed auto manual trans. The exterior color is Garnet Red and the interior color is Gray. A nice gray stripe was added to give the Camaro a great accent! Sharon does drive this Camaro all year long! NICE RIDE!!

If you want your Camaro considered for the "Corner Camaro" it must be in the club photo directory!

EMCC MEETING REPORT

Larry & Joyce will have a fire pit going where we can sit around 6 feet apart and enjoy each other's company. They also will be cooking hot dogs, hamburgers, and chicken as well as snacks. You will be asked to bring any drinks you chose and we will each donate \$10 toward their food cost for the day. FROM THE Vice-Pres.....

Although our monthly meetings on Zoom have some navigational issues, overall they are still worth it. If nothing else, it's good to see the faces of friends and hear their voices. So, HOORAY FOR ZOOM MEETINGS. It definitely won't be this way forever, so let's all hang in there and be grateful that we are still healthy and appreciate that we do really have a great life, despite the stay at home stuff...it's not all that bad.

PUN OF THE MONTH: Two Eskimos sitting in a kayak were chilly, so they lit a fire in the craft. Unsurprisingly it sank, proving once again that you can't have your kayak and heat it too.

THE LAST WORD: Jerry: What are you going? Terry: Heading out to buy some glasses. Jerry: And then what? Terry: I'll see.

CRUIS'NEWS GONE!!!

If you were a subscriber, you have received a letter already. Very sad news has been given out that Cruis'News magazine is no longer in business. The Covid-19 shutdown and restrictions on businesses and on loans available prevented the magazine from continuing publication. The last issue was the April 2020 issue. EMCC wishes Dana and Diane the very best possible future and are very THANKFUL for their support of EMCC and Camaro Superfest!!
