MAY 2019

## FROM THE PRES-

Well, last month I couldn't get started and this month I'll probably have to condense this column because of too much to say. Just returned from the Tour d' Missouri and wow, did we ever enjoy it. Starting with a semi boring drive through Ohio and lunch at a place I've not been to in over 30 years. And it hadn't changed much. We got to revisit the "Ohio River Scenic By-way" for the rest of the trip to Missouri. Wish Michigan could figure out its road situation, but, that's another subject. April and Randy are the best hosts we could ever hope for and the BBQ on arrival night was wonderful. Those that have been on Randy's tours know how hard he works on providing a great driving experience and thoughtful places to stop and see along the way. This year was no different. Vietnam War Memorial Wall, Distillery, Wineries, State Park, a Route 66 classic stop (could have looked at all their stuff for hours) AND wonderful challenging roads. Mostly the weather was great with a taste of spring for us northerners and food to keep us going. We even meet new friends, two Corvettes, a 2000S Honda and a 65 Sunbeam Tiger. Many thanks to Randy and April for doing this year after year.

Looks like April showers don't want to let go and continue into May. Rest assured they will yield to better weather and we can get our Camaros out of their winter hiding and begin using them for their intended purposes. Whether it's go or show! I've gotten Kathy's out and about on several good days last month and look forward to many more events we can all participate in. The May calendar of events is included with this issue and it's a busy one. Don't think I can get to all of them but should be fun trying. Not everyone can get to all the events (someone will no doubt prove me wrong here) but that's OK. Just get to the ones you want and please let us know if we missed any so we can possibly get there as a club. I've got a full plate for several of the events so a substitute leader is needed, why not volunteer? Showing our club at these venues is one of the best and easiest ways to get new members and promote the club. Besides you have fun.

The Superfest work schedule volunteer sheet is out there and please sign up for anything you might want to do. It is imperative that we get enough hands to make the work easy. This years' registration should be a breeze and hopefully everything else will follow suit. Let's get together and make this the best year ever.

# LINGENFELTER CHARITY

One of EMCC's greatest supporters, the Lingenfelter Collection in Brighton, had their annual Charity Spring OPEN HOUSE! This was on Saturday, April 27th from 10am-5pm. This benefits the American Cancer Society! We hope some EMCC members made it over for support!

# CSF JOBS

Here is the annual list of CSF jobs and what each entails. NONE of these jobs is hard!! A few minutes of "on the job" training and you will be a pro!! Please help out where and when you can... many hands make little work!! Let's look at the jobs and their duties- what each entails-

**GOODIE BAGS-** We are NOT stuffing bags this year, but we need help putting all of the items out on tables, so that participants can stuff their own bags! We start at Barry's at 4pm to load-up all the donations, then head to the Marriott.

**REGISTRATION-** is where car owners come to enter their cars. This is at HQ hotel on Thursday-Friday, moves to park Saturday/Sunday. Paperwork job and answering questions. We will also need 2-3 people to go to MIS ahead of everyone else, to set-up a registration check-in. We will NOT do on the spot registrations, but can check people in.

**SPECTATOR GATE-** (at lower park entrance), is where people come in to view our event. We need to keep track of numbers and spectators are FREE, but we are requesting donations for our charity - whatever they wish to give! This is also where car owners will pay their entry fee.

**SPECTATOR GATE-** (at street level), The park has limited parking outside of the official entry gate, so traffic direction is necessary. Also directing participants, vendors, etc. You also give out blank forms to those that have not pre-registered.

**VENDOR SET-UP-** This is on Friday afternoon at Riverside Park, to assist various vendors in getting the right spots they need. Also make sure the port-a-potties are in place and judging tents. This would be a club member (or 2) NOT going to MIS.

**PARKING-TRUCKS-TRAILERS-** This is toward the back/south end of the park, trying to keep trucks-trailers from getting into soft grass and directing them to good spots.

**EVENT HQ-** this is big on answering questions, selling event t-shirts and helping with Silent Auctions.

**SILENT AUCTIONS-** Tom is heading these up, but needs help putting items out and collecting money when finished. WE NEED DONATIONS!

**SECURITY-** everyone is on security detail at all times! There is NO alcohol and NO PETS allowed on the Park property. This is the biggest items to watch for. Security is making sure that someone is not doing something stupid and causing problems for others.

**JUDGING SHEETS-** this is adding-up the judging sheets from the judges, recording the results on the proper class page and filing the sheets in a folder.

**MISCELANIOUS-** This is kinda another "everyone" job... where we need to keep an eye on trash cans, make sure the speakers are working, etc....

I think that covers everything we can think of concerning jobs. See, nothing so awful hard about any of it. PLEASE volunteer!! Without YOU, the EMCC membership, this event is not possible. We can plan all year long, but when it comes right down to it, it is YOU the membership that makes the event happen. THANKS!!!

**WE NEED YOU!!! WE WANT YOU!!!**

This is our biggest event of the year & we have a great reputation of having the BEST organized event in the USA! We need to continue to work on keeping that reputation and improving on it where ever and whenever possible. PLEASE help us make CSF 2019 another great event and our best yet!

**MORE IMPORTANT INFO-** As an EMCC member, if you have not registered for the show yet, please do so ASAP. Bring your application to a meeting, mail it in or online!

JUDGING- EMCC members are encouraged to NOT have their Camaro judged during our event. This is a request, not a rule, so you can be judged if you want to. Reason for not doing judging is several- giving others the chance to win, time and even though we hire out the judges, it looks "bad" when we win at our own event. You can still get an award - simply purchase one for \$15. This offer is only good to EMCC members. If you want to purchase an award, let Barry know ASAP!

## EMCC TOUR deMO!

Here is a story on the recent Tour de Missouri, taken by several EMCC members. The tour takes you to the home of EMCC past President Randy Martin and his wife April! Great hosts!! THANKS Sharon for writing this story, so those that didn't go, see what we missed!!

Once again, several club members participated in Randy Martin's Tour de Missouri. John and JoAnn Wrobel, Paul and Kathy Denski, Don Jorgensen, Tom Tomkiewicz, and Mark and Sharon Harpootlian set off for Missouri on Wednesday, April 26th. Spending one night on the road, we met up with Randy on Thursday evening. He and April hosted dinner for us at their very cool log home. We were joined by six folks from the WMCC and 7 folks from Missouri. Cars included 8 Camaros, 2 Corvettes, a Sunbeam Tiger, and a Honda S2000.

We covered about 600 miles of Missouri back roads. Stops included a tour of the Ozark Distillery, Ha Ha Tonka State Park (which has a very cool stone castle ruins), Missouri Veterans Memorial (which has an exact replica of the Viet Nam Memorial in Washington DC), 2 wineries, and Bob's Gasoline Alley. Bob began collecting memorabilia fifteen years ago and he has amassed quite a collection.

Randy picked out great eating spots for us - he did not disappoint. Missouri is a beautiful state with beautiful, smooth roads. As usual, everybody had a great time. We would highly recommend taking the Missouri tour. See the club website for more pictures and videos.

## LINGENFELTER ARTICLE!

We meant to mention this last month and ran out of time and room in the HUGGER.

**Congratulations** to Ken Lingenfelter and the Collection, as they were honored with a great story in the 13th issue of NEW ROADS magazine. This is produced by Chevrolet and copies are sent to new owners and are also available at dealerships. The article was on Chevrolet Collectors. Two other collectors were also in the article. Once again, congratulations to a great guy and an EMCC and CSF supporter!

**THE CHEVY FAMILY MAN**

KEN LINGENFELTER has Chevy in his blood. So much so that it once got him expelled from high school. His family had moved to Bloom, Mich., from Ohio, "where everybody's family worked for Ford," he says. "I was a real Motors guy and it was hard to fit someone in a Mustang challenged my horsepower Camaro and I couldn't let it go." Without going into detail, Lingenfelter says he was able to prove he had the car: it wasn't his brightest moment, Lingenfelter admits, but after that, he says, "the Ford guys wanted to be my friend."

Lingenfelter's dad was an auto executive (would often bring 5-year-old Ken back to factory after shopping home for dinner, Lingenfelter, now 65, was 11 years old when his eyes on a split-window 1963 Corvette. Late as a car guy was sealed.

It was the space age, and all of the astro-bugs had Corvettes. "It made a huge impression on me, looking through that split window (the interior)," Lingenfelter says. "I think one of the most beautiful cars General ever has ever built."

Split-window Corvette is still his favorite in the collection, which is made up of about percent muscle cars, 30 percent exotics, like most Corvettes. They're stored in a

and ends with 1975, the year Chevy temporarily stopped making them.
