OCTOBER 2019

## FROM THE PRES-

Legends are built in October, so they say (and who's they anyway?). I'm going to have to disagree slightly. This club now has a new legend, "Wide Load" his official new name. Those of us who witnessed his historical actions over this past weekend will probably want to, but never forget. Yes, it was the last week of September (almost October) and it was very close to a baseball field. And it was a display of leadership unparalleled in car culture. While cruising along at a seemingly good pace and knowing that we'd have to slow down for the tolls. A route that we normally would avoid but found necessary to get our group home. Our beloved Activities Director found a new way to both entertain us and expedite our trip. Posing as trucker with a wide load he quietly moved over to the "Wide Load Toll" lane and passed us all with one fell swoop. And he did this repeatedly, thus becoming "Wide Load". Now, while this isn't particularly important (and for that matter interesting or funny) you kinda had to be there. The jest is, we went on a trip planned by and orchestrated by our club. It wasn't for everyone, although all were invited, it wasn't cheap, although the thrills were. But we had, as we seemingly always do,

fun! Small things like not getting seasick on the way over. The many snort laughs emitting from Kathy and others as noted. This trip had its share of issues, notably the return trip on the ferry was cancelled. No, of course not before we got on, only after a half hour and the majority of the group either getting seasick or experiencing the very real symptoms of the illness, myself included. And not ever experiencing the illness before, not something to be taken lightly. Wasting over two hours of time we could have been cruising home. Even after that long delay we found a way to enjoy the trip home. This crowd just can't be held back. So, when it's time to sign up for that EMCC trip to anywhere, think hard about going next time. Sure, the Chicken Run sounds dumb, maybe a Cider Mill doesn't float your boat. Tour d' Michigan, been there done that! You just can't beat the amount of fun we have together. It's the people in situations that you can't make up. The laughs that come when someone does something odd (or even normal) and someone else finds it hilarious and the infectious laughs get everyone going. We have fun, we support each other (no car left behind) and we press on no matter what. Can't wait to do it again! Snook OUT! **Proud President of EMCC**

## MEMBERSHIP NEWS

## EMCC MEETING REPORT

The September EMCC general meeting was held at another new location - Gateway Automotive Sales office and showroom in Dearborn. The staff was great and had tables and chairs set-up for us. A pizza and salad dinner was available for those that attended. We had about 35 members present. Barry went over a few CSF 2020 announcements and VP John was very brief with a few comments. Tony, filling in for Don, went over some of the upcoming activities we had planned. Paul then talked about some upcoming trips and how to use the radios when we are traveling in a group. THANKS for attending our EMCC meeting! We hope to see you at the NEXT EMCC meeting! **SUNDAY, OCT 20, 2019**

## EMCC AT FALL CLASSIC!

Several EMCC members headed to Ohio and the NEOCC annual CAMARO FALL CLASSIC show. We had 6 members and Camaros at the show for 2019. Despite some car concerns by several members, we all made it there and home safe! Congratulations to Don and Jen on winning awards! As promised, it was a great event, great people and a great time! Please consider putting this event on your schedule for 2020! EMCC had to give-up the Club Participation award to the Derby City Club, who had 12 Camaros at the show. We'd love to get that back next year!!

## FROM THE Vice-Pres.....

Well, another "nuttin-honey" type of report as far as news goes. However, I strongly suggest that we all decide to drive our awesome Camaros as much as possible before the weather decides for us....not many gorgeous days left. On the other hand, with the way our weather has been, we may have Fall last through Christmas.

**PUN OF THE MONTH:** So how do you invite a dinosaur to lunch? "Tea, Rex?"

**THE LAST WORD:** I shoot golf in the low 70's. When it gets colder than that, I quit.

Hope to SSSEYYA at the next meeting.
