**SEPTEMBER 2022**

## FROM THE PRES-

Hard to believe CSF is over and what a success it was. Read all about it in Chris' comments later in the issue. He and his crew of fine members did a bang-up job in returning CSF to an actual event. No small feat for sure. So, where do we go from here? Well, let's discuss that very matter at the next meeting. Something a bit different, a fireside chat in the autumn air. Details are from Don and you will have to read on to find out. Get those thoughts together and bring them to all to discuss. Should be fun.

Oh, but wait, there is more. Welcome to the busiest time of the year for adventure and fun. Now that the time-consuming CSF is behind us, we can concentrate on having just that. With almost every weekend having an event of some kind we have no excuse not to get out in our Camaro and go. Yea, weather may or may not cooperate, but Don and those of us that try to plan these things, cannot control that. Plans to travel to places for chicken, driving, site seeing and a whole bunch more are in the works. If you haven't signed up for these please do so. Planning them to have room for all starts with knowing how many are attending. Get the Camaro cleaned up and shined and hit the road with us. Where we go next? Why

don't you try your hand at it. Got a place you want to drive to or a show you want to attend? Just tell us when to meet you and we're away. That easy. Be it lunch, a park, a beach, a bar, or just a scenic drive. You will be surprised at how many of us just want to follow the leader and enjoy the ride.

Speaking of chicken, the annual Chicken Run is planned for Sunday, September 18th. We are leaving from 41496 Ann Arbor Road, Leo's Coney Island, an old favorite. Those who want to enjoy a hearty breakfast (just in case we run late for that chicken lunch) can meet us there at 7am (or earlier if your name is Don) with wheels up at 8:30am. Leisurely driving north(ish) to our destination Zehnders (new this year for a change) for our 11:30 lunch reservation. Afterwards, plenty of stuff to do in Frankenmuth for all to spend the next few hours. Heading south(ish) afterwards with our now traditional ice cream stop at Fenton's Famous Uncle Ray's Dairyland. Wanted to change that but got too much flak about it. Besides, it is a very good place to enjoy an ice cream. Deadline to reserve your spot is September 12, 2022. Call or text me at 734-718-2940, no emails this time. Trying something different to track everyone so I don't miss anyone.

*continued next page → →*

Those who have their rooms reserved for the "Turd" will want to keep a keen eye on their email. News of the all driving adventure will break soon, I'm sure. Be sure to prepare your Camaro for driving excitement. Check those tire pressures and brakes, snacks and beverages packed. This year is all about the driving. Yes, there will be much needed Bio stops and lunch. Not to mention dinners at the lodge, but the emphasis is on the driving.

Read on for other adventures.

## THE CORNER CAMARO

This month's Corner Camaro is EMCC member Ken Ross's 67 Camaro! Here is his and his Camaro's story.....

This month's Corner Camaro was left for dead in Detroit. You could call it a barn find. I was looking for a 1969 Chevelle SS convertible back in 2005-06.

A friend told me about this 1967 Camaro in a garage in Brightmore. The car was covered in 10 years' worth of dust and had rodents living in and under the car along with cob-webs that you could cut with a machete. We made a deal on Woodward cruise morning 2006.

After having all the sheet metal acid dipped with absolutely no rust found, I realized what I had. Researching all the paper work and VIN number I found that the car was built in California where it stayed until 1994 when it was sold to the lady I bought it off of.

Funny side note: after having it acid & primer dipped I brought to the 2007 Camaro Superfest in Ypsi on a flat bed trailer and had it for sale. Everyone thought I was trying to pull a fast one with a Dynacorn body, with no interested buyers I decided to dive in.

This was a 3 year transformation into a ProTouring Restomod, completed in August of 2009 with all the original sheet metal. The engine is an aluminum LS! with a 4L60E automatic transmission and rack a pinion steering system. It has a TCI tubular frame with a four-link rear suspension, 9" Ford 3:71 rear end, adjustable coil overs and disc brakes at each 17" Crager SS wheel. The interior is 2002 Trans Am leather Buckets with original rear seat covered to match, console is from a 97 Trans Am. The paint is House of Kolor Brandywine Candy with a silver underlay.

I wanted something totally different from original without modifying the body, like Old school vs New school and a wolf in sheep's clothing. I am really happy with the outcome, it handles great, its reliable and just plain fun to drive. It's not a trailer queen if you know what I mean!

Let the Good Times Roll.

GREAT story Ken!

Thanks for being an EMCC member!!

### **CAMARO SUPERFEST 2022** is HISTORY!!

It was a great weekend, the weather held out nicely and everyone had a great time. Here is your event wrap-up from Chairman Chris West -

Camaro SUPERFEST 2022 is now in the books. I can't think of a better way to sign off then by giving a huge **THANK-YOU** and my sincere appreciation to all the EMCC club members that volunteered time, funding and energy to making the show a big success! Without the support of our volunteers the show would not have been possible. Despite initial concerns of low pre-registration, the Team's support never wavered. Perseverance paid off when our extended Camaro family showed up in solid numbers to be a part of Superfest's live return.

Final tally of Camaros registered was 288. A total of 90 awards were handed out. That included 7 special recognition awards. This year's return show introduced a new judging system and some change to participant self-classification. Constructive feedback on both has been received and will help with future upgrades.

Another big THANK-YOU goes out to EMCC's Premier Sponsor, **Lou LaRiche Chevrolet**. In addition to being EMCC's primary sponsor, the LaRiche organization stepped in this year to provide a venue for the show. Without the help of Scott LaRiche and his Team this year's show might not have taken place.

I also want to give special thanks to Scott Settlemire and Ken

Lingenfelter for kicking off SUPERFEST weekend with their remarks at our Trivia night on Friday. The evening not only included competitive rounds of Camaro trivia it also featured raffles that benefitted the SUPERFEST 2022 charity, DRIVE One Detroit. It was a fun filled evening and a great way to start our Camaro weekend off.

The final numbers are still being crunched but it looks like SUPERFEST 2022 will also be successful in its support of the show's focus charity, DRIVE One Detroit. For those that may not be fully aware, DRIVE One's mission is: *"To provide a career building technical education and training vocational skill-sets to students Grades 7-12 who are at risk, or seeking pragmatic education-based options OR, seek a technology-centric school vs. a sports-centric schools OR whose interest in technology is keen but underserved or unavailable"*

One of DRIVE One's recent projects was restoration of the second-generation Camaro Z28 that was on display in the Lou LaRiche showroom during the show. The quality of that car demonstrates DRIVE One is providing the technical education our future needs. We should all take pride in the effort put forth by our volunteers in support of worthy organizations such as DRIVE One Detroit.

Stay tuned to watch for our announcement on EMCC's charity donation to DRIVE One Detroit.

THANKS again to all the dedicated EMCC volunteers for making SUPERFEST 2022 a success!

## **CSF SPONSORS**

We also want to say **THANK-YOU** to our great CSF Sponsors -  
**Lou LaRiche Chevrolet,**  
**Lingenfelter Motorsports,**  
**Corrigan Oil, Vanguard Motor Sales**  
**and Detroit HotRod Sport & Custom.**
